A big THANK YOU to everyone who supported St. Paul's efforts in our first ever "Out of the Darkness" Walk for the American Foundation for Suicide Prevention. Not only was St. Paul's a very visible sponsor of the walk; our 11-member team raised $374.17 (nearly double our goal of $200)! This will help to fund much-needed efforts to curb suicide in our country. But perhaps most importantly, it will start a conversation about what we can do as people of faith to help those at risk, and to heal the families and friends whose lives have been shattered. To all of the walkers, to those who staffed the booth, and to all of the people who made a donation, thank you!

Making Strides Against **Breast Cancer** is more than just the name of a **walk**; it describes the progress we're making together to save lives and end **breast cancer**.
