

Community Garden News

Our gardening season is coming to an end! Our last workday for the season will be October 28th, to put the garden “to bed” for the winter. Workdays begin at 9am and wrap up by noon; come when you can and stay as long as you can. Water, snacks and tools are provided. Questions? Ask Elaine Daly or Jenn Martek.

We can't thank everyone enough who helped throughout the season. You all rock.
THANK YOU!!
