Third Grade Receives Bibles

Congratulations to our third graders, who were presented with their very own Bibles on May 23. We celebrate that you are ready to read God's word for yourselves! Here's to a summer of Bible reading for: Mason Elliott, Rachel Thompson, Maddie Simpson, Lily Ward-Diorio, and Becca Ward-Diorio.

Christian art usually represents St John with an eagle, symbolizing the heights to which he rises in the first chapter of his Gospel. Wikipedia

Teachers are The Best!

We are SO BLESSED here at St. Paul's by our tremendously dedicated Sunday School teachers. Each of our classes, from toddlers through older adults, has a team of teachers who commit to this ministry for the full school year. These folks put time and love into preparing lessons for their classes each week. Many churches rotate teachers because there are not enough adults who can commit the time and energy to a full year of teaching. That helps adult schedules, but doesn't allow for the fullest experience of class community and overall learning. At St. Paul's, we put a high value on being thinking, learning, discussing people of faith our whole lives long!

THANK YOU, TEACHERS! We appreciate all you do for all of us—kids, youth, and adults!
