For the eighth year, St. Paul's formed a team, *St. Paul's on a Mission*, to walk in The American Cancer Society's Making Strides Against Breast Cancer. This event supports the American Cancer Society's unique mission to fight cancer on four fronts: research, education, advocacy, and patient services.

We started our fund-raising this year by having a soup sale at St. Paul's in February, raising over \$684.00. All the soup ingredients and containers were donated! We also made and sold Peanut Butter and Coconut Eggs at Easter, making \$820.00. On October 2nd, we again participated in the Willow Mill Park Fall Festival. We sold Chicken Corn Soup and donated baked goods. It was a beautiful fall day. We sold 27 gallons of soup, every drop. We raised \$930.00. Everything was donated, so we the money we made was all profit!

The Making Strides walk was held October 16th. It was a beautiful and very windy morning. We had a lot of fun and fellowship. We took a side trip to the "pink" fountain at the capitol for our 2010 team photo.

St. Paul's on a Mission team was 26 strong this year and raised, to date, \$8,656.00, setting yet another record for our team!

This is such a wonderful fund-raiser, for a very worthy cause. Think about joining us next year. Enjoy the photos from the soup sale and the Making Strides walk!

And a BIG THANK YOU to everyone who walked, raised money and/or made a donation!!
