

CAMPAIGN PRAYER

Gracious, Giving God, we thank You for the many gifts You have bestowed upon us. We are grateful for our Church building, which has allowed us to welcome one and all to Worship You; learn more about You and Your calls to us; and be in fellowship with one another, as we plan how best we will reach out in service beyond our doors. Please bless our efforts as we seek to raise the funds we need to repair, renovate and upgrade our Church, so it might more energy-efficiently and safely house us, allowing us to continue to focus on following Jesus' words and way, reaching out in service in Your Name to all people, to all these, Your Children.

- Amen.

CAPITAL CAMPAIGN PLANS

St. Paul's UCC is a community of faith that worships God, celebrates the goodness of creation and seeks to do justice. The *Our Dreams & Visions Into Reality* campaign will allow our church to begin to fulfill our Dreams and Visions while impacting our Three Great Loves:

PRIORITY PLANS

The campaign plans call for renovations, repairs, and upgrades that will help to better serve the wider community, secure and comfort those who use our facilities, engage our children and youth, while continuing to become more environmentally conscious.

- Re-Key All Doors
- Install Security Cameras

WITH YOUR CONTINUED GENEROSITY...

As with any home, there are certain projects that need to be completed first due to urgency, timeline, and available funds. If we are able to complete the priority plans outlined above, we will then focus our attention on other projects such as replacing the Sanctuary roof, installing a more efficient HVAC system, upgrading the bathrooms, and installing Solar Panels.

WE ARE ALREADY *seeing changes*

Due to the current condition of the Christian Ed building roof, we already have started replacing the old flat roof with a pitched roof which will last three times as long. After procuring four bids, we chose Lauer Construction. Work began in December 2019 and will be finished in January 2020.
